

Bids Are Opened For Marker Over Donner Freeway

The California Division of Highways Wednesday received a low bid of \$89,994 for installation of white recessed lane markers on an 18-mile stretch of Interstate 80 in the high Sierra snow country in Placer and Nevada counties.

Wufert Co., Inc., of Pleasanton was lowest bidder according to highway officials at the Marysville district office.

The project will extend from west of the Hampshire Rocks undercrossing to the agricultural inspection station west of Truckee.

The circular buttons will be set into drilled holes flush with the pavement and will replace the existing painted white lines.

This will be the first major use of recessed markers in California. Work will start in a month or six weeks and is expected to take four or five months to complete.

The buttons will be set in groups of seven within a space of nine feet. Each group will be 15 feet apart — the same proportion as the existing broken stripe.

Three of the seven markers will be beaded for high nighttime visibility. The other four will be of a white non-reflective material.

The project follows an experimental installation on I-80 near Kingsvale and will provide a permanent lane marking that will escape damage from snowplows an eroding effects of sand, salt, freezing and thawing which have made it necessary to re-stripe the painted line four times a year.

A total of 56,500 markers will be required on the four-lane divided freeway which crosses the Donner summit. The buttons are four inches in diameter and will be held in place by an epoxy compound.

Auxiliary Processing Scholarship Student

The Tahoe Forest Hospital Auxiliary is again beginning the process of selecting a recipient for the Charlotte Patnode Scholarship to be awarded in September. This scholarship, which last year was in the amount of \$500, is awarded annually to a local high school graduate who is continuing an education in medicine, dentistry, nursing, laboratory sciences or related fields.

The scholarship committee, Mrs. Douglas Brodie, Mrs. Frank Evans, Mrs. Paul Shively and Mrs. Ray Wiser, would be happy to have the names of any local students who might qualify for the scholarship. Last year's recipient was Robert Williams, a graduate of Tahoe Truckee High School who is now completing his second year at McGill University School of Medicine in Montreal.

CALIFORNIA FIREMEN TO HOLD SQUAW MEET

The annual conference of the Northern California Firemen's Association will be held at Squaw Valley this year. Distinguished fire officers from northern and southern California, and Nevada are scheduled to speak at the event.

Registration will begin at 6 p. m. June 3, at the Olympic Village Hotel. This is the hotel that was built to house the athletes who participated in the 1960 Winter Olympics.

Firemen, officers, wives and families from all over California will be present. Fire department personnel from other states are invited. Squaw Valley Fire Chief Robert D. Butler states that this should be the best conference ever.

Among the social events that are scheduled are a golf tournament, a cocktail party, the president banquet and a jeep trip to the high country.

POSTMASTERS MEET AT SQUAW VALLEY

The annual convention of the National League of Postmasters will close tonight after the four-day meeting in Squaw Valley.

In attendance at the meetings held in the Squaw Valley Theater were Henry Womack, league president from Catron, Mo., and Vice President Jack Bailey of Scio, Oregon.

Postmasters from all the local offices were in attendance and enjoyed the programs designed for the mutual interest of all officials.

SALE APPROVED

The California Public Utilities Commission has approved the sale of the Tahoe Pine Water Company at Lake Tahoe by owner Robert E. Shields to W. C. Frost. According to the PUC the system is being sold for \$5,000.

MAN ARRESTED

Ernest Betha, 37, of Truckee was arrested by sheriff's deputies Monday after being accused of stealing a saw while employed by John Ciardella to clean up a shed. A check revealed Betha was wanted in Sacramento on a burglary charge and he was returned to that city.

Helen Scott Seated To Head Women's Club At Tahoe City

TAHOE CITY—The Tahoe City Federated Women's Club will install new officers at a fashion show and luncheon to be held June 2 in the Crystal Bay Club. Mrs. C. Eagleton, past district president will be the installing officer.

The club members will model their creations during the affair.

Helen Scott will take her chair as president; Isabele Brucklacher, vice president; Gladys McClanahan, corresponding secretary; Anita Melin, treasurer; Kathleen Mendonca, recording secretary; Eunice Henrikson, dean of chairwomen; Sue Dwyer, membership.

Reservations may be made by calling 583-4878, 583-2229, 583-3526.

The local organization was honored with 16 awards at the Sutter District convention at Colusa.

Jim Harris Heads Donner Area J.C.

James E. Harris, manager of the Tahoe Truckee Agency at Gateway, was installed as president of the Donner Area Junior Chamber of Commerce at a meeting held Saturday at Hill Top Lodge. He succeeds Fred Hodder in the post.

Other officers seated for the coming term were Bud Howe, internal vice president; Leon Lucchesi, external vice president; Ronald Mucha, state director; Hampton Jones, secretary; Ken Taylor, treasurer; and Bill Erby, Ray Craig and Dave Perry, directors at large.

The meeting was featured by the awards of 250 to Rodney Hisken as outgoing young teacher in the Tahoe Truckee school system and the announcement that he had been selected to represent California in the same capacity in the national contest in July.

Church Members To Be Honored Soon

KINGS BEACH—The Community Methodist Church of Kings Beach will honor the new members of the church this coming Sunday, with an ice cream social to be held in the afternoon.

This the third year that the event has been held to commemorate Loyalty Sunday, a day when all members are urged to attend.

Joining the church this year include Mr. and Mrs. Hal Mulinix of Tahoe City; Richard Johnson of Tahoe Vista; Mrs. Pat Leathers of Kings Beach. Planning to join this coming Sunday are Miss Sandy Libby of Tahoe Vista; Mike Murphy of Tahoe City and Mrs. Charlotte Perry of Kings Beach.

The public is welcome to attend services at 9:30 a. m. at the Kings Beach church, the sermon to deal with the church, it's serious business and not leisure time activity.

POLITICIANS ATTEND CHAMBER MEETING

Local county politicians dominated the meeting of the Truckee-Donner Chamber of Commerce at noon yesterday at Smarts.

Principal speaker was Leo J. Todd, county counsel and candidate for district attorney, who discussed the duties of his office and explained future plans. The latter included the establishment of a deputy in Truckee to handle county and district problems and an attorney who could practice locally.

Other guests included Bub Tobiasen, candidate for county assessor, and Herbert Dodini, who is seeking the auditor-controller post. Daven Morey presided at the meeting.

N. F. Dolley reported on the success of the cleanup program and thanked those who assisted.

CASH STOLEN AFTER JANITOR IS GAGGED

INCLINE VILLAGE—An undetermined amount of cash was stolen from the Incline Village Casino at Crystal Bay by three masked burglars who bound and gagged the janitor, Dominic E. Pagan. Deputies took three sacks of money were taken.

The bandits are believed to be the same ones who recently robbed the Tahoe Forest Bowl.

Government May Take Action To Keep Tahoe Pure

A news dispatch from Washington, D. C., prepared for the New York Times by Gladwin Hill, says that federal water officials may step in soon to stop the incipient pollution of Lake Tahoe, one of the nation's prime beauty spots.

The article says the lake is high on the target list of the newly reorganized federal water pollution control administration, according to qualified sources.

The timing of the formal federal pollution abatement proceedings, the story says, could be affected by the fact it would be potential embarrassment to two democratic governors, Edmund G. Brown and of California and Grant Sawyer of Nevada. Both executives have been trying for several years to cope with the Lake Tahoe situation on an interstate basis, without notable results.

James W. Quigley, head of the water agency, said he was forwarding a list for Secretary Stewart Udall's consideration but declined to comment on the content.

From other sources it was learned that Lake Tahoe has been mentioned in department discussions as a "must" target.

The year-around population at Lake Tahoe, according to the story, is about 50,000 but tourists attracted by the scenery and gambling casinos on the Nevada side cause seasonal population peaks as high as 150,000.

Under federal law, the pollution control administration can step into any situation where contamination of interstate water jeopardizes the "health and welfare" of neighboring citizens.

Quincy Wins Two From Wolverines

The Quincy High School baseball team downed the Tahoe Truckee Wolverines in a double header Saturday, the first game 5 to 4 and the second 8 to 7.

The Wolverines scored six hits in the first game, Hopkins getting 2 and Knittel, Nielsen, Franceschini and Becholdt each collecting one. Runs were scored by Wurst, Nielsen, Wilcox and Hopkins.

In the second game, Wurst got two hits, Besio three, Franceschini, two and Nielsen, Hopkins and Pope, one each.

YOUTH IS INJURED WHEN HIT BY TRAIN

Michael Parkhurst, 18, Carmichael, was injured seriously Sunday at 10 a. m. when he was struck by a Southern Pacific train at Horseshoe Bend, just west of Truckee.

According to Sergeant Roy Waters, who made the investigation, Parkhurst with two companions, Scott McIntyre and Tom Boyd, were camping at Donner Lake and decided to ride a freight train to Norden.

They were between the west and east bound tracks when two freight trains met. Parkhurst was struck by the east bound train on which James Black of Roseville was the engineer. The train was traveling approximately 30 miles an hour.

Parkhurst was taken to the Tahoe Forest Hospital with chest and head injuries.

TWO ARE INJURED IN HIGHWAY CAR CRASH

Fred Stultz, 18, Roseville and Everett D. Canada, 40, Citrus Heights, were injured in a one car collision near Truckee last Wednesday. The car apparently traveling at a high rate of speed, rolled over several times, throwing both men out. Stultz was taken to a Reno hospital and Canada treated at the Tahoe Forest Hospital.

The car was being pursued by Patrol Officer Walter Kalb for speeding when it went out of control.

BUDGET HIGHER

John T. Trauner, Nevada County auditor-controller, announced that the county budget, after being pruned and adjusted from its original figure of \$5,577,558, now stands at \$5,355,400, slightly higher than the 1963-64 budget figure.

Mrs. Wing Honored On Retirement As Veteran Teacher

KINGS BEACH—Nearly 200 friends and relatives attended the tea honoring Mrs. Katherine Wing, who is resigning her teaching position at the Kings Beach School June 10. The tea was given by the Kings Beach PTA and the school faculty on Sunday, May 15, from 2 to 4 p. m.

Attending from out of town were Miss Anna Radiyoi, Redwood City; Mrs. Robert Edmunds, Palo Alto; Mrs. Duane Edmunds and daughter, Jennifer, San Francisco; Miss Barbara Hancock, Auburn; Miss Bernice Guidici, Loyalton; Dr. and Mrs. Kenneth Rees, Portola.

Tending the guest book were Teresa Ferrari and Katie Felte.

Mrs. Wing, who has taught 22 years, is listed in the last two publications of Who's Who in American Education.

Hap Jones To Head Local Rescue Group

Hap Jones was elected president of the Sierra Nevada Rescue Group at the meeting held last week.

Other officers chosen for the coming term were Tex Wilkerson, vice president; Leon Hutchins, operations officer; Ken Braley, communications officer and Leon Lucchesi, secretary-treasurer.

The meeting night has been changed to the first Thursday of each month, the next meeting on June 2 at the Truckee fire station. Sierra Nevada Rescue Group is a volunteer organization performing such services as search and rescue operations in this area for the sheriff's department and the civil defense.

Bid Opening Held Over By District

The directors of the Truckee Sanitary District have postponed until June 7 the opening of bids for construction of an outfall sewer line for serving the district in the area west of Truckee. Bids will be received on both a 15 and 30-inch line to run from the present disposal plant to a point west of Truckee, a distance of some 11,000 feet.

Bids were to have been opened at the meeting May 24 but because of a change in plans, the delay was found advisable. Fred Hodder, board member, announced.

BILL BERRY SPEAKER AT SKI CLUB MEETING

TAHOE CITY—Bill Berry, outstanding sports reporter for the Sacramento Bee and pioneer skier in this area, will be the guest speaker at the second annual junior recognition dinner sponsored by the Lake Tahoe Ski Club Saturday, May 28, at the California Alumni Center.

Cocktails will be served between 6 and 7 with a buffet dinner at 7 p. m. There is room for 200 and tickets will be available at the door. All junior competitors will be guests of the club. James Brehler is president of the club.

OREGON MAN WILL WORK FOR DISTRICT

Tom Paulus has assumed accounting duties with the Truckee Public Utility District, arriving from Newport, Oregon, where he had been employed with the Central Lincoln PUD.

Paulus has been active in Little League, Jaycees, Toastmasters and Boosters. He attended Oregon Tech and Oregon State University.

Mrs. Paulus and their two children will be moving to the area residing in Gateway Park.

JET TO OREGON

Mrs. S. A. Ralphs went by jet last Friday to Oregon where she visited her parents, Mr. and Mrs. C. A. Tollefson, her father is reported to be ill.

Hodder To Serve As Manager For Sanitary District

Fred Hodder, liaison officer for the county at the County Government Building in Truckee, has tendered his resignation in order to accept a position as manager of the Truckee Sanitary District effective June 1.

The new position with the sanitary district became necessary with the current program to enlarge the service area to include Donner Lake, Meadow Park and other communities west of Truckee, and to work in cooperation with other agencies to bring about state and federal assistance under the so-called "Plan B".

The latter plan would embrace all of North Lake Tahoe, including the North Tahoe Public Utility District and the Tahoe City Utility District, as well as Truckee, Donner Lake and other small sewage disposal districts in the region.

Applicants for Hodder's present position with the county may be made with the personnel department or with Supervisor H. G. Loehr. Hodder, in the meantime, will conduct county business and will continue to offer his assistance to the liaison officer.

Hodder has been a member of the sanitary district board of directors, but a replacement will be made as soon as a suitable applicant is found.

Board Approves 2 Of 3 Applications

The Nevada County Planning Commission at Monday night's meeting approved two and disapproved one local applications for use permits.

The use permit application from Norman J. and Lucia J. Preston for the construction and operation of an 18-unit campground and trailer park on property purchased from Denney Logging Company on the north side of West River Street extension between State Route 89 and Donner Creek, was approved.

Also approved was an application from James A. White for parking and occupying a mobilehome at a service station on the south side of Highway 40 west of Donner State Park.

The application of Ray W. Smith for parking and occupying a mobilehome during construction of a residence on the Brockway shortcut, was denied.

CAPITAL MAN DIES FOLLOWING STROKE

Stanley Pierce Murphy, 62, a Sacramento businessman who had a temporary residence at Incline Village, expired here Wednesday morning following a stroke.

The last rites will be held in Sacramento Friday morning and interment will be in the Golden Gate cemetery in San Francisco.

Murphy was a partner in the Cal-Lam Panel Company. He was a veteran of World War II.

A niece, Mary Elizabeth McClure lives at El Verite.

TIMBER SALE HELD IN BIG BEND AREA

At an oral auction held in Nevada City April 28, the Yuba River Lumber Company was high bidder for 3,200 M board feet of timber in the Castle Unit on the Big Bend District of the Tahoe National Forest.

This sale covered 640 acres and sold for \$54,000. Twenty-five per cent of all timber sale receipts are returned to the county where the timber is harvested to be used for schools and roads.

LICENSE IS ISSUED FOR CAL-NEVA LODGE

CRYSTAL BAY—A gambling license for Cal-Neva Lodge at Crystal Bay has been granted to Robert Peccole and Barney Perleman, veteran Las Vegas gamblers, but the Nevada Gaming Commission ruled that the name of Frank Sinatra must come off the sign at the lodge, and not be used in any advertising.

Sinatra once owned a majority interest in Cal-Neva and often performed there but was forced out in 1963 on a charge of breaking the rules.

Donner Annexation To Fire District Is Without Opposition

There was not a single protest at the public hearing held by the Truckee Fire Protection District board of directors in the fire house Wednesday morning on the proposal to annex the Donner Lake Fire Department into the district.

Commissioner N. F. Dolley said County Counsel Leo Todd, who attended the meeting will draw up the necessary resolution establishing the annexation, present it to the secretary of state for final approval and that the annexation can be completed by July 1.

The resolution is the final legal step in the procedure. The consolidation of the two areas was endorsed by officials from both the Donner and Truckee fire departments as a means of providing better service for the entire region and to equalize the costs of maintaining the department.

Hi-Flyers Prepare For Annual Flyin

The Tahoe Truckee Hi-Flyers, under the leadership of their president Pauline Way, will be hosting the third annual fly-in to be held on June 19th at the Truckee Tahoe Airport. A special invitation is extended to local residents to attend the festivities.

Activities for the show will include a borate drop, sail plane flights, glider aerobatics, aerobatic maneuvers of model airplanes and a square dance exhibition put on by Tom Zeme of Reno.

A five-man sky diving team will demonstrate.

A highlight of the day will be the penny-a-pound rides which every member of the family can enjoy. The charge is based on weight with a penny for each pound.

Sunday afternoon will be topped off with a western barbecue catered by the Hi-Flyers. Since this will be Father's Day, all are invited to bring dad and have a wonderful time.

52 Old Cars Hauled Away In Cleanup

N. F. Dolley, fire district commissioner, who headed the cleanup committee for the fire department and chamber of commerce, reports that 52 abandoned autos, which have been cluttering up the area, were removed to the junk yard during last week.

Dolley said trucks for the removal program were supplied by Tex Wilerson, Mel Thornton and Jack Houlgate and he wished to thank them for their work.

Scores of home owners took advantage of the week's free service at the dump ground, supplied by J. A. Bennett to rid their property of debris.

SANDY WOODS HEADS SCHOOL GIRLS LEAGUE

Sandy Woods was elected president of the Girls' League of Tahoe Truckee High School at a meeting held last week and will serve during the 1966-67 year.

Other officers of the league are Barbara Nielsen, vice president; Patty Free, secretary and Geri Eberhard, treasurer. The officers were installed at the fashion show held May 19.

CHILDREN BLAMED FOR TRUCKEE BLAZE

A fire, started by children playing with matches, was quickly extinguished just east of Truckee near Trout Creek by the Truckee Volunteer Fire Department Saturday about 4:30 p. m.

Because of the brisk wind, the fire was potentially dangerous, but was stopped without material loss.

BARRY LEAMON OUT AFTER NAVY SERVICE

Petty Officer Third Class Barry Leamon has returned to Truckee after spending more than three years in the U. S. Navy where he was a radar and sonar man aboard mine sweepers serving in Viet Nam. Leamon is currently employed by the Truckee Public Utility District, having received his discharge Friday.

Hisken Named As Foremost Teacher In State Contest

Rodney E. Hisken, teacher at the Truckee Elementary School, has been selected as the most outstanding young teacher in California.

This was revealed at a meeting of the Donner Area Junior Chamber of Commerce Saturday night when word was received from Vernon Graham, California State Junior Chamber president, that the local teacher's qualifications had been judged as highest among the 12,000 teachers entered in the state contest, sponsored by the junior chambers.

An award of \$250 was made by the local group and Hisken has qualified to represent the state in the national finals in Baton Rouge, La., in July. Four teachers will be chosen at the national level to receive \$2500 each and the honors which go with the selection. The award here was made by President Fred Hodder.

Hisken, 28, is married and has two children. He has been an outstanding teacher and civic leader for a number of years and his selection was greeted with pleasure by other members of the Tahoe Truckee Educational Association.

Close runners up in the local contest were Dwight Souers, high school instructor and Richard Small, elementary school teacher. As a matter of fact, Hodder explained, it was a virtual tie between Small and Hisken for the honor.

Qualifications for the honor were based on many things, including academic preparedness, graduate and post graduate work, teaching ability and techniques, approach to the teaching problems, community efforts, individual student approach, philosophy and other aspects of the profession.

The local contest was sponsored by the Donner Area Junior Chamber, with Ronald Mucha as chairman of the committee in charge. Only teachers in the junior chamber age range were considered.

Truckee Students Elected At Sierra

A "group" who campaigned as a slate was elected last week at Sierra College as student body council for the fall, 1966.

Norm Doolittle, a sophomore next fall, of Truckee was elected president, defeating Dennis Durham of Auburn. Placerville's Ward Harrington, football fullback, defeated Robert Beitz of Grass Valley for the post of vice president. Sue Renfro of Nevada City defeated Sharon Schultz of Roseville for the secretary's job.

Elected unopposed were Tita McMahon of Placerville, social commissioner; Dennis Douglas of Truckee and Lynda Rick of Auburn as athletic commissioners, and Bill Tudsbury of Loomis as rally commissioner.

Mike McGee of Chico defeated Newcastle's Joe Correa for sophomore for the men, with Patty Kelly to represent the ladies after defeating Peggy Dufour of Loomis and Michelle Ferguson of Auburn.

SPRING SING WILL BE ASSEMBLY FEATURE

A spring sing will feature the assembly to be held May 27 in the Tahoe Truckee High School, being arranged by Mrs. Wes Sauby and Joni English, with master of ceremonies duties in the capable hands of Pete Richards.

Similar to the song fest of last fall, there will be competition among the freshmen, sophomore, junior and senior classes, with prizes being given.

Featured groups with identifying names will vie for honors at the musical afternoon.

INMATE CREW HERE FOR FIRE SEASON

The Susanville inmate crew of 32 men and their officers arrived at Hobart Mills May 23 for the summer months, to be available for projects working in the Tahoe National Forest when not engaged in fire fighting.

In charge of the large, selected group is Lieutenant Elmo Alley, with Sergeant Carl Ford and officers Gilbert De Forest, Jim Hardy and R. R. McMillan.

SERVICE EXTENDED BY UTILITY DISTRICT

Francis Longo, manager of the Truckee Public Utility District, this week reported that the water line from the Brockway shortcut to service Ponderosa Palisades south of Truckee would be completed this week. Fire hydrants, supplied by the subdivider, C. S. Beavers, have been installed.

At the same time, Longo reported the voltage conversion to the Truckee Tahoe Airport is nearing completion. This will provide a constant and more efficient electric service to the area.

AN OPEN LETTER

On the first Monday of March, the County Assessor's office begins to bring the year's work to a close, processing thousands of property and business statements, exemptions, correlating appraisal data and preparing an assessment roll to be delivered to the Board of Supervisors on the first Monday of July. From the first of March to the First of July is indeed a busy period for the Assessor.

The administrative responsibility of the Assessor's office has grown with the times and does not allow for time to move about the countryside knocking on doors in my own interest, and this I regret.

My first responsibility is to the office I am paid to administer and my campaign to retain that office is of necessity secondary. I can't, in good conscience use to my personal advantage the time for which I am paid. However, I am a serious candidate to retain the Assessor's post.

The record of the office for 10 years has been one of sound, impartial and legal administration. It has been timely and has maintained the county's economic balance during a period of serious change. On that basis I solicit your support on June 7, 1966.

Respectfully yours,

NEVADA COUNTY VOTERS!

I have refrained from quoting my own Nevada County Audits of 1961-62 and 1963-64 concerning the office of Auditor and Auditor-Controller as it would appear "self-serving". However the incumbent has seen fit to use only first sentence of each report (a standard comment) as an endorsement. I believe the voters of Nevada County are entitled to the full report that they may form their opinion from all the facts available.

1961-62 Audit, County of Nevada Auditor

"The accounting records of the County Auditor are being maintained in a efficient and competent manner. The value of the information available in this office is limited only by the accounting procedures used in the departments of origin. Efforts have been made to bring about uniformity of accounting data, so that more meaningful and comparable reports may be prepared. However, the uniformity of accounting procedures and the controls necessary to sound financial management have not been accepted."

Comments

"At the risk of redundancy, it is again recommended that the County consider a centralized accounting system to be headed by a County Controller. The office of County Controller should be an expansion of the duties and legal responsibilities of the County Auditor. This step would eliminate the type of accounting problems that have occurred in the Road Department and the County Hospital. PROPER ACCOUNTING SYSTEMS AND CONTROL OVER ACCOUNTING INFORMATION SHOULD BE THE RESPONSIBILITY OF AN EXPERIENCED ACCOUNTANT WHO IS VESTED WITH THE NECESSARY AUTHORITY TO PERFORM THESE DUTIES."

1963-64 Audit Auditor-Controller:

"The accounting records of the County are being maintained in an efficient and competent manner. The value of the information available to this office is limited only by the accounting procedures used in the departments of origin. Efforts are being made to bring about uniformity of accounting data so that more meaningful and comparable reports may be prepared. Cost accounting systems have been installed for the County Hospital and Road Department. In each instance it is essential that subsidiary cost records be complete and accurately maintained in order that useful cost statements may be prepared.

"It is recommended that the position of Controller be established to provide for experienced accounting administration at the level at which it is needed. This position would provide the necessary statutory authority required for the maintenance of a centralized accounting system. Installation, without authority to enforce, is of limited value since it can only obtain a minimum of results.

"The position of Controller is of equal importance in the preparation of the county budget. It is apparent that sound budgetary procedures are not employed in many departments and only to a limited extent in others. Each department head needs guidance and assistance in the preparation of preliminary budget and the procedures to be employed in its computation. Complete study and analysis can be accomplished prior to the budget session of the Board of Supervisors and provide this body with the technical assistance it should have."

THE POINT IS THIS — Nevada County government IS big business with a \$5 million budget. Why "hire" a non-accountant and non-businessman as the COUNTY'S CHIEF ACCOUNTING OFFICER when (for the same cost) a fully qualified Certified Public Accountant with 16 years business experience is available.

Salvation Army To Start Local Drive

N. F. Dolley, chairman of the Salvation Army Service Extension Committee here in Truckee, announced that this year's association membership subscription drive starts May 22nd, the beginning of National Salvation Army Week.

"Anyone with a personal interest in the work of the Salvation Army may express that person interest through Salvation Army Association Membership support at this time," Captain Dolley emphasized. He stated that "Salvation Army local, regional and statewide services are all available to the people of this community through the local service extension unit."

Statewide services, such as homes and hospitals for the care of unwed mothers, and men's social service centers for rehabilitation of alcoholic are available by referral from this community.

Johnson Backing \$285 Million Plan For Forest Roads

WASHINGTON, D. C. — Congressman Harold T. (Bizz) Johnson, representing the Second, mountain-valley counties, District has called on congress to authorize the expenditure of some \$280 million in construction of forest development roads and trails over a two years program.

Testifying before the committee on public works, the congressman, who has played a leading role in the expansion of the forest development road program, urged that \$130 million be spent in fiscal year 1968 and \$150 million in the following year.

Present annual authorizations are \$85 million. Seven years ago when Congressman Johnson first began his efforts to expand the timber access road network, the authorizations stood at \$35 million per year. "We in the second congressional district and throughout California are particularly concerned that our forest resources be developed fully so as to contribute a full share toward the national economy," Johnson declared in his formal statement.

Approximately half the national forests in California are located in the second district and they, plus the private timber lands, contain much of the states commercial timber which contributes so greatly to the employment and economy of the region.

The congressman pointed out that national forest timber sales alone amounted to some \$14 million last year.

In addition to the importance of timber, he explained that these access roads also are essential in the

County Shares In Booze License Fees

SACRAMENTO — (CNS) — The state department of alcoholic beverage control reported that Nevada County and its cities have received \$24,972 as its share of alcoholic beverage license fees and payments in compromise (fines) for the period from last September 1 to February 28 of this year.

The unincorporated area of the county received \$13,378.

Ten per cent of all license and renewal fees and payments in compromise go into the state's general fund, with the remaining 90 per cent distributed twice a year to the counties and cities in the proportion that the fees or payments were made from their particular area.

Including the 5.3 million square miles in Antarctica, there are about 57 million square miles of land on earth.

development of another resource, recreation. He reported that last year 14 million visitor days of use were recorded in the national forests of the second district.

HIGHWAY SAFETY

SACRAMENTO — (CNS) — California's highway safety program is the largest in the nation, Governor Brown said in a Modesto speech

recently, as he predicted increased traffic enforcement and vehicle safety inspection programs will make further significant reductions in the state's accident toll.

Oh, why can't the weather be good on weekends when so many people come up to enjoy the lake? Saturday the water was so wind-

blown that it looked like an ocean. Sunday was better, but not many boats ventured out even then. However, when it's a west wind the west end is usually calmer and some sailors and waterskiers were taking advantage of the smoother water.

Of course Friday and Monday were ideal days!

Maybe something could be worked out so that a weekend consists of one of those days.

Fifty-four wrecked cars were carted to the dump last Saturday by the Truckee-Donner Chamber of Commerce. What a joy not to see them anymore. Now it's up to the rest of us to clean up our own property now during "Cleanup week."

It's up to all of us to check on things in the area, and if a situation exists that should be reported to the sanitarian or sheriff, then it should be done. Uncovered garbage cans for instance are unsanitary.

The Nevada County Board of Supervisors would like to know about our problems and are actually finding out for themselves. Several county officials toured the area recently to find poor road conditions exist at Donner Lake and that property owners are forming road assessment districts to correct the situation.

They admit that all this could have been avoided if the county only had proper planning regulations so that the checkerboarding of private and commercial building will be avoided in the future.

There will be a meeting of the Donner Lake Property Owners Association at the beach at 11:30 a. m. Sunday. Nomination of officers will be held at that time. All interested property owners are invited to attend.

The Donner Lake Sailing Club will meet at Donner Lake Lodge at 11 a. m. May 29th for a short board meeting and then will go for a fun sail on the lake. All interested sailors are invited to participate.

Squaw Valley will hold the annual Memorial Day ski race there on Sunday. Skiers can also compete at Mammoth the following day for their annual Memorial Day race.

We are happy to report that Harold Hall is now home after a long sojourn in the hospital and is recuperating nicely from major surgery. Before long he will be out there helping his wife Hazel in their lovely hillside garden at Donner Lake.

Ever hear of catching kokanee off the shore and with salmon eggs? Well that's what's been going on lately.

And did you hear about Ernie LaVoie of San Pablo bringing in two nice Mac's? When we saw the one he brought in at Donner Shore Resort Sunday we congratulated him and said it looked like a 12 pounder, (it was 17 lbs.) then he said: "you should have seen the 24 1/2 pounder I brought in yesterday!" He really has the secret now of getting those big ones.

Feel the earthquake Monday night? All the way from Chico.

Retail value of fishing tackle purchased in the United States during 1965 totaled \$346,000,000, reports the National Automobile Club.

25 YEARS AGO

The following items are from the Sierra Sun for May 15, 1941.

The senior class of Meadow Lake Union High School, Truckee, was presenting the annual three-act senior play at the Masonic Temple on the night of May 16. The cast for "Spring Fever" included Jim Thomas, Keith Weeden, Lee Hunsinger, Rose Petroni, Betty Pearson, Ruth Mae Cozzallo, Laura Angelini, Harry Digesti, Elizabeth Gates, Ruth Moore, Jim Leamon and Bill Marts.

School trustees announced the contract signing for faculties in Truckee schools. P. R. Nelson and Mrs. Jennie Watkins were hired as the teaching staff in the elementary school; G. E. Hoffman, Marion Lothrop and Anna Marie Munro at the high school. A fourth member of the latter staff remained to be hired.

Mary Bennetts of Boca received her diploma from University of Nevada at commencement exercises May 12.

Fifteen members of Carpenters' Local Union 2035 met at Kings Beach to raise the walls on their new headquarters at Deer and Rainbow streets. The 60x30 feet structure will be ready for occupancy June 15.

C. D. Wood of Tahoma recently took a 20 1/2 pound mackinaw from the lake.

Mrs. Carl Bechdolt, Jr., entertained May 13 at a party honoring the birthdate of her daughter, Christine. The honorees grandfather, Carl Bechdolt, Sr., gave her a shetland pony for the occasion.

ROCK CLUB FORMED AT NEVADA CITY

NEVADA CITY—A rock club was formed recently in Nevada City to be known as the Nevada County Gem and Mineral Society. This club is open to all adults or families who are interested in the study of gems or minerals.

Meetings are to be held once a month, the first Tuesday night at 8 o'clock in the science room of the Seven Hills School on Zion Street, Nevada City. As soon as the matter of insurance is taken care of the club plans to make a field trip to various known gem and mineral deposits in the state and in the area, each month.

Al Davies is president. Davies was instrumental in forming the Contra Costa County Gem and Mineral Club and has been affiliated with this club and others for several years.

Anyone desiring information on the club can get in touch with the secretary, Mrs. M. W. Cramer, Route 1, Box 454, Grass Valley, or attend the next meeting.

Class Activities In School

KINGS BEACH SCHOOL

Third Grade—Mrs. Thomas: Our best spellers last week were Susan Reynolds, Kit Briscoe, Annette Eyre, Keith Alcorn, Douglas Reynolds, Lori Dean, Candi Whitley, Bernadette Jones, Peter Adamo, Renee Gilmore and Curtis McAbee.

We have two new boys in our class. Dennis Rothenberger is from Lodi while Keith Alcorn comes from Santa Cruz.

Fourth Grade—Mrs. Wing: On Wednesday our class made a field trip to the Donner Monument and Museum in correlation with our social studies unit on "Early California." We want to thank Mrs. Michael Briscoe and Miss Anna Radivoj for going along to help supervise.

Thursday night Mrs. Wing took Debbie Spillers and Teresa Ferrari to see the movie "The Ugly Dachshund" since they received 100 per cent in every spelling test since school started in September. Everyone enjoyed a soda after the movie.

A mosaic of painting will be purchased for our school's hallway with the money tree which was given to Mrs. Wing at her reception tea Sunday, May 15th.

Sixth Grade—Mrs. Schultz: Our last group of officers are Danny Bauer, president; Jackie Biggs, vice president; Paula Lee, secretary and Terri Burghardt, treasurer. The committees are: room, Kathi Nelson, Elizabeth Garcia and Andy Anderson; bulletin board: Debra Jackson, Becky Dunham and Jodi Johnson; paper: Bill Bailey, Mitchell Westlund and Ron Dunham; library: Gillian Byrne, Dannie Porath and Denita Clifton; projector: Jim Rueckheim, Darnell Lloyd and Tim Lohr; clean-up: Paula Lee,

Dennis Luescher and Steve Leathers; selling: Randy Austin and Scott Wisdom; sports: Terri Burghardt and Bob Sikorski; desk: Patsy Kaspar, nadine Eyre, Jim Rueckheim, Gillian Byrne, Ron Dunham and Carla Jackson.

TRUCKEE SCHOOL

Second Grade—Mrs. Scott: The class received a letter from Peter Silva who is attending the Rocklin school. Peter Silva sent a piece of mica to each member of the class.

Best spellers last week were Teri Teeples, Susan Edley, Mary Ellen Robinson, Bobby Jones, Joe Ross, Thomas Johnson, Kim Causey Sally Abitia and Robert Affeldt.

Third and Fourth Grades—Mrs. Roth: We're happy to welcome Cynthia Michalchuck to our third grade. Her family has recently moved to Truckee from South Tahoe.

One hundred in spelling last week went to Miguel Chavez, Cliff Danner, Phillip Black, Kirk Petzoldt, Mark Walker, Lisa Boeff, Colleen Carlson, Gail Daly, Kaly Money, Carolyn Rose, Colleen Wissenback, Kim Thomas, Randy Lawrence, Mike Jones, Mark Price, Ken McCarrall and Bruce Anderson.

Seventh Grade—Mr. Hiskens: People achieving high scores on a map test of Africa, including capitals and major bodies of water were: Nola Houlgate, Benny Garcia, Patty Westbrook, Denise Peve-til, Debbie Jellin, Sharon Ford and Linda Little.

Sixth Grade—Mr. Stever: Elect- class officers for the year were Barbara Jones, chairman; Pam Schwartz, co-chairman, and Carl Kuttel, secretary.

Scoring honor grades on a difficult spelling test were Ida Reich-

lin, Sharon Eckerman, Jenny Hamlet, Pam Schwartz, Denise Clepper, Barbara Jones, Judy Price, Sheri Sassarini, Carl Kuttel and Steve Birdsall.

In creative language skills: Judy Price, Phillip Grow, Sheri Sassarini, Jenny Hamlet, Pam Schwartz, Ida Reichlin, Lynn Hanson and Linda Hanson, and Linda Free were very successful.

Holley Schooley's much-observed sample of mold development made a good microscopic study.

TAHOE LAKE SCHOOL

Kindergarten—Mrs. Henke: Contributing to scenic study last week was Leon Austin and Craig Hodgkins with blue bellied lizards, Timothy Smetzer and Susan Grigo- leit with baby kittens and Andrew Carpenter with a tree frog.

First Grade—Miss Neal: Our first

graders have finished their dairy cow books but are still learning all they can about farms, dairies and farm animals so they will be ready for the big trip to the James Canyon Ranch Creamery and Harvey's Wagon Wheel Ranch on Saturday, June 4th.

The following students made excellent grades on their dairy books: Mark Becholdt, Brent Bonino, Larry DeWalt, Patrick McCafferty, David Onorato, Bacci Perata, Brian Pundt, Bob Stanford, Bobby VanWetter, Grant Wolter, Bruce Tomlinson, Lisa Cordone, Kelly Cole, Heidi Chisholm, Megan Evans, Becky Marier, Melinda Sullivan, Lisetta Taylor, Tami Williamson and Richard McManus.

Nancy Mitchell was married to Carl Don Alexander at an 11 o'clock ceremony on Saturday, May 21 at St. John's Episcopal Church at Glenbrook, with Father David Graham officiating. The bride was given in marriage by her father,

Charles Bridges.

For her wedding, Nancy chose a white street length dress with lace bodice and full skirt of chiffon, the shoulder length veil was held in place by a floral piece. She carried a nosegay of white and yellow roses on a white prayer book.

Cecilia Stemmett of Folsom was maid of honor wearing a blue chiffon gown and carrying a bou-

quet of white roses.

Best man was Wiley Leroy Howerton of Fresno and ushers were Dennis Mitchell, brother of the bride, and James Alexander, nephew of the groom.

The bride's mother, Dorothy Bridges, wore a two-piece yellow dress with an overdress of white lace, orange accessories and wore a corsage of yellow roses.

Due to illness the groom's mother was unable to attend the wedding. The groom's father, Fred Alexander of Fresno, and other out of town guests were Mr. and Mrs. Miles Alexander and children of Napa, Mr. and Mrs. Earl Alexander of Mount Shasta, Mr. and Mrs. Jack Alexander of Mount Shasta, Mr. and Mrs. James Sullivan of Los Angeles, Mrs. Margaret Reid of Las Vegas and Mr. and Mrs. William Coffman of San Francisco.

The reception was held at the Crystal Bay Club and featured a champagne fountain, hors d'oeuvre and wedding cake.

After a honeymoon at an undisclosed destination, the young couple will be at home in Fresno.

Jackie Jensen enjoyed the weekend at his Crystal Bay home from business in San Jose.

Mrs. Phillip Persons of Chico was a weekend guest of Bern May at Kings Beach. Bern and her guests enjoyed a South American tour a couple of years ago.

C. E. "Temp" Templeton of Reno former Kings Beach resident, has been a patient at St. Mary's Hospital where he underwent surgery. Wife, Ellen, reports his progress as satisfactory.

Bill and Pat Peluso of Oakland were Incline Beach visitors last week to Bill's sisters and their husbands, Tom and Theresa Sutton and Jerry and Johnny Rayburn.

The group enjoyed the Andy Griffith show at the South Shore Room during their stay.

Johnny and Jerry Rayburn and Tom and Theresa Sutton of Incline Beach spent Mother's Day in Sacramento.

Vera Mosier, longtime resident of Crystal Bay where she is a summer resort operator, has returned from a three months round the world cruise aboard the U. S. Roosevelt of the American President Lines. It was the maiden voyage of the ship and at the 28 foreign ports of call, bands and officials met the ship, crew and passengers for welcoming.

Reaching home after a safe voyage, Vera fell from her own porch sustaining an injured leg. Dolly Helling arrived at the crucial moment from Montreal and will assist Vera for the summer at the resort.

Word has been received by his family from Captain Robert Ferrari of the U. S. Army Corps of Engineers in Saigon that he anticipates returning home to parents, Ben and Nora Ferrari at Kings Beach, and wife, Audrey and children in June.

Carl and Marilyn Shaff of Incline Village are the parents of a seven pound, twelve ounce baby boy, Benjamin Harold Shaff, born Tuesday, May 17 at St. Mary's Hospital in Reno. Other children are Mark, Rickey, Jennifer, Carl, Jr., and Jacqueline. Carl is principal of the Incline Village School.

Lee Cooley and wife, Lee Morrison Cooley, were honored guests at the official opening of the Incline Village Casino Friday night. The casino opened under the new management of Arthur L. Wood and a capacity crowd attended. The Cooleys are mainly Laguna Beach

residents. He spent many summers as a child with his family at Emerald Bay where they had a resort. Both Lees were judges at the Snowflake Ball of 1965.

A surprise shower by the WSCS honored Norine Marx at her Kings Beach home following a luncheon. Present were Rachel Libby, June Tennison, Kay Fette, Louise Walter, Pearl Draney, Caroletta Launt, Louise Anderson, Charlotte Perry, Eda Judy, Marguerite Ashton, Virginia Murphy and Betty Mulnix.

Coffee and a cake decorated for the occasion were served following the shower of gifts.

A joint dinner with the VFW post installed the new officers of the VFW Auxiliary at the Nevada Lodge on Wednesday night. Dick Killian, post commander, installed Donna Killian, auxiliary president; Pearl Draney, senior vice; Carrie Gray, junior vice, and Louise Walter, treasurer, in their new offices. Among those attending were Otis and Kay Wing, Eddie and Cleta Liddle, Tom Larsen, Rocky Reynolds, Frank Schwartz, Stella and James Farrell, Dick and Donna Killian, Pearl Draney, Unadell Crawford, Wanda Brooks, Carol Harris, Louise Walter, Bill and Dorothy Bulman, Earl and Carrie Gray, Fran Cernusak, Book Moore and Vera Wood. Corsages and bougainvilles were presented those attending.

Frank Schwartz and Bob Moore of Carson City were involved in a minor car accident on the return home from the VFW installation dinner.

The Hanks of Kings Beach were involved in a car accident at Incline Village due to a car deficiency. Alma sustained a broken leg and a broken arm while C. W. received a couple of broken ribs. Alma is recuperating at the Washoe Medical Center where she did enjoy a visit from daughters, Carol Dillender of Vallejo and Rosemary Horrell of Napa.

Kings Beach and North Shore area visitors Friday were Harry and Ceta Hooper of Reno, former residents of that area.

Nikki Ann Edmunds and daughter, Jennifer of San Francisco, were guests at the home of her parents in Kings Beach, Otis and Kay Wing. The family attended the Tahoe Truckee School play in which Vern Wing had a part.

Charles and Lee Talcott of Incline Village were hosts to a potluck dinner at their home Saturday night. Attending were Mr. and Mrs. Noble Murray of Carson City, Mr.

and Mrs. Nick Killian, Mr. and Mrs. Otto Walters, Mr. and Mrs. James Farrell, Mr. and Mrs. Eddie Liddle. Discussion was held on the coming convention for the VFW in June at Crystal Bay.

Charles and Lucille Talcott and children, Mary, Jeanette, Sue, Barbara, Paul and Edward are confirmed Incline Villagers from the Los Angeles area.

Fred Schultz of Crystal Shores attended the Shrine York Rites at Elko over the weekend.

Happy birthday to Frank Austin of Kings Beach who celebrated his day on May 20th.

A home made ice cream social will be the feature of the day May 29th, starting at 2 p. m. to honor the new members of the year of the Kings Beach Community Methodist Church. Larry Murphy is chairman of the event.

Bethel and son, Pieter Van Tassel, were guests of John Ascuaga's Sparks Nugget at the Allan Sherman show Mother's Day.

Theresa Sutton invites friends to stop in at Pete's Steak House at Kings Beach where she is temporarily assisting longtime Kings Beach businessman, Pete Metropole. This should be known as the friendliest place in town with this combination.

Dick Newton of Incline Village is now associated with Fred Schultz Realty at Incline. Dick and wife, Vivian, and sons, Paul and Douglas were previously residents of Sacramento. Paul is just home from boot

camp and headed for Viet Nam. Bill Davis is also associated with Fred Schultz Realty having resided at Incline the past three years. Bill and wife, Jonnie, are active republicans and were delegates to the Las Vegas convention.

Fire Sirens will install their new officers June 6th at the home of Carolyn Johannes at Incline Village. Installing officer will be Isabel Kissenger.

The Young Republicans of Washoe County plan a Sunday at the Racquet Club in June or July. They will be joined by the Republican Women of Incline Village and Crystal Bay for the fun day. Further details will be announced.

Ryland and Flo Goodspeed of Crystal Bay accompanied their houseguest, Mrs. Jessie Smith, home to San Francisco last weekend. From San Francisco they went to Chico on business.

Sunday dinner guests were Mrs. M. Welch of Martinez, Darryl Gunther and mother from Woodland, Mary Kravchouk and Col. and Mrs. (Continued on Page 6)

Senator In Second Week at Tahoe Club

CRYSTAL BAY—The pulsating rhythm of authentic calypso music charges the atmosphere in the Topaz Room of Nevada Lodge at North Lake Tahoe this week, as the spectacular Senators enter their second successful week.

The Senators are five Jamaicans, led by Al Moore, a renowned musical perfectionist who demands that the Senators' renditions be perfect reflections of the calypso art which appeals to American audiences so strongly. Moore and the Senators have stirred audiences throughout the west, recently concluding an engagement at Las Vegas' Sahara Hotel.

Dramatically attired in vivid costumes, the Senators dig deep into a repertoire of music that is welcome fare for entertainment buffs who appreciate the exotic and unusual in their diets.

Featured in the combo is a finely tuned steel drum—a result of hours of painstaking care in bringing it to proper pitch. Eustace Thomas is the drummer and is reportedly a world in himself as he brings ex-

citing sounds from deceptively common looking steel drum.

Leader Al Moore states that the Senators are the only calypso group of which he knows that include a steel drum artist in the group. Audiences agree that an evening with the Senators is a stimulating and memorable musical experience.

The Senators will appear nightly through May 31 at Nevada Lodge, North Lake Tahoe's largest year-round resort hotel casino. Sharing the Topaz Room stage with the Senators are The Cousins—six versatile musicians who have built up a large following on the Reno-Tahoe show circuit.

BUDGET—NEVADA COUNTY 1965-66

The following quotation is an excerpt of a report of the Controller of the State of California, dated March 17, 1966:

"In compliance with statutory duties an administrative review has been conducted on the Nevada County Final Budget for the fiscal year 1965-66 . . . you have made an excellent Budgetary presentation both to the Board of Supervisors of Nevada County and the general tax paying public."

NEVADA ACCOUNTING PROGRAM

The following quotation is an excerpt of a report of the Controller of the State of California, dated March 26, 1966:

"We visited your office on March 18, 1966 to review the accounting systems in effect in Nevada County. In our opinion a conscientious and capable program has been followed to apply the requirements as contained in the State Controllers Publication, 'Accounting Standards and Policies for Counties', as they pertain to Nevada County. In the areas of Tax Accounting, Fixed Assets Accounting, Budgetary Accounting and Hospital Accounting, we regard your records as superior."

BEGOVICH SEEKS TO OBTAIN ROAD AID

Senator John C. Begovich said he will introduce a resolution calling for a crash program to complete highways in areas off the federal interstate system.

He expressed concern that high priorities currently go to federal interstate projects, delaying vital

roads in other important sections of the state.

Such a resolution, Begovich predicted, could speed work on Highways 99, 50, 49, and other routes in the 3rd senatorial district.

The Begovich resolution would put the legislature on record asking congress to change the method of allocating federal gas tax funds. Most now goes to the interstate system.

Area Highways Rate Feature Treatment In State's Periodical

Highways in the Truckee, Donner and Tahoe area were featured in the March-April issue of California Highways & Public Works. The magazine, which has won national awards in its field, is published by the state division of highways.

Page 8 of the issue is given over to "Interstate 80, A Champ." It deals with an earlier released article on the trans-Sierra freeway being judged one of the three most outstanding engineering achievements of 1965 by the American Society of Civil Engineers.

The other two top projects were a space vehicle launch pad at Cape Kennedy and the Seattle Metro Comprehensive Sewage program.

The article goes on to describe the job and its cost, including the fact that "2,500,000 pounds of explosives was required to blast rock and other obstructions from the right-of-way across the top 10 miles of the mountain. One 22-mile section involved removal of nine million cubic yards of rock and dirt."

On page 43 is featured, with photographs and a proximity map, the "Truckee-Brockway Shortcut." The item marks the addition of this former county road to the state network as Route 267. This took place as the result of Senator Paul Lunnard's SB1081 in the 1965 general session and a resolution of the state highway commission last September 22.

The author points out the 13-mile arterial provides a route eight miles shorter than the alternate state access to the terminal points. That requires a combination of SR 89 and SR28, up the Truckee River canyon and along the shore of Lake Tahoe.

MAINTENANCE MAN NEEDED AT TAHOE

The Placer County personnel department will accept applications until May 27 for the position of Highway Maintenance Man I, for employment in the Lake Tahoe area.

The written examination will be on June 7, with an oral to be announced later. High school graduation and one year's appropriate experience are minimum requirements. Some allowance is made for substitution of work experience for education.

Further information may be obtained from the county personnel department, 250 Sacramento Street, Auburn.

During the period 1960-64, eight jockeys were fatally injured out of approximately 1,200 who rode annually.

College Prep Book Offered By "Bizz"

WASHINGTON, D. C. — "Get Ready for College and Go" is the title of a new pamphlet published by the federal office of education.

Congressman Harold T. (Bizz) Johnson of the 2nd District said the publication is a guide to four programs of federal assistance in financing a college education:

College Work Study.
National Defense Student Loans.
Educational Opportunity Grants.
Guaranteed Loans.

Copies of the publication have been distributed to high schools and colleges through the district for use by student counselors, the congressman said, in the hope that it will assist deserving students to continue their education to take advantage to the fullest the nation's "brainpower" resources.

Johnson in announcing that copies of the publication may be obtained by writing him at Room 1031, Longworth House Office Building, Washington, D. C., quoted President Johnson: "We have entered an age in which education is not just a luxury permitting some men an advantage over others. It has become a necessity without which a person is defenseless in this complex, industrialized society. We have truly entered the Century of the Educated Man."

Big Deposit Increases Are Noted By B. of A.

A substantial increase in deposits during the previous twelve months highlighted Bank of America's March 31 figures, President Rudolph A. Peterson reports.

Deposits rose to \$14,997,223,000, a gain of \$1,075,313,000 over the total of \$13,921,910,000 on March 31, 1965. Total resources were up to \$16,683,834,000, as against the comparable 1965 figure of \$15,400,545,000.

Net operating earnings increased to \$24,481,000, up 12.5 per cent from \$21,755,000 in the first quarter of 1965. Per share earnings amounted to 86c as compared with 76c.

Continuing strong demand for credit was reflected in the increase in loans to \$10,152,281,000, a rise of \$763,407,000 over last year's total of \$9,388,874,000. Investment in securities amounted to \$3,156,968,000 as compared to \$3,128,357,000. Total capital funds, together with reserve for possible loan losses of \$171,864,000, now amount to \$1,070,847,000, representing a gain of \$42,813,000 over last year.

The Amateur Athletic Union track and field events at the University of Nevada's new Mackay stadium in Reno but entries must be postmarked not later than midnight, May 21 to establish eligibility. Sored by Reno Mt. Rose Kiwanis Club, are patterned after junior swimming programs which led to competition successes in the 1964 Olympic Games in Tokyo. They could, sponsors say, lead to an Olympic berth in some future year but winners are assured an opportunity to enter the Pacific Association finals in Oakland, California, early in June.

John C. Begovich Seeks Re-election

John C. Begovich, incumbent candidate for the third senatorial district, is a native of Jackson Gate, California, born January 17, 1916. He attended school in Plymouth and his mother and father operated a boarding house for miners and loggers in that area.

He graduated from Sutter Creek High School in 1934 and then attended Sacramento Junior College from there went to work in the mines of Amador County, later be-

ing employed by the state board of equalization.

Begovich's outstanding military service began in January, 1942. He served with the 3rd Infantry Division for three years in the European Theater and was commissioned three times, decorated 13 times, including the silver star, bronze star and French croix de guerre.

The senator is married and they have one son, John, Jr., 15. He holds membership in the American Legion, Veterans of Foreign Wars, Disabled Officers Association, Native Sons, E Clampus Vitus, Elks, Amador Farm Bureau, Tahoe Rod

and Gun Club, Tahoe Fisheries, Inc., Mountain Men, Lions Club and other organizations.

In the upper house, Begovich is chairman of the senate public utilities commission, member of the fish and game committee, governmental efficiency, military and veterans affairs, natural resources, commission of California, wildlife conservation board and fair allocation classification.

HIGHWAY WORK BID IS OPENED BY STATE

A low bid of \$214,800 was received today (Wednesday, May 18) by the California Division of Highways for resurfacing about 27 miles of State Highway 49 in Nevada, Yuba and Sierra counties.

Granite Construction Company of Watsonville was lowest of six bidders, according to officials at the Marysville district office.

The work will be done in three sections beginning at the Tyler Foote Road intersection in Nevada County, north of Grass Valley, through Yuba County to Downieville. Two short sections of the highway in Sierra County were reconstructed several years ago and will be tied into this surfacing job.

When the contractor begins work in about a month, there will be short sections of one-way traffic control on week days to permit application of new black top half-width at a time. The project will take about two and a half months.

Patrol Warns Of Holiday Driving

California's Highway Patrol Commissioner Bradford M. Crittenden, said that highway patrol officers throughout the state would do their utmost to assist Memorial Day weekend drivers through a safe holiday period.

"But these officers can't do it all alone," emphasized the commissioner. "It will still be up to the driver himself to assure a safe holiday weekend."

"Our officers will be on the lookout for excessive speed and other infractions of the rules of the road that traditionally lead to accidents, and will stop these where they see them," said Crittenden. "But the driver must take it upon himself to drive courteously, carefully, and lawfully at all times, in order to make a success of this effort toward a safe holiday."

Crittenden declined to predict how many people would be killed and injured on California highways during the long weekend, but said he could predict injury and possibly death as a potential each time the rules of the road were broken or in cases of error in driving judgment.

"I know our officers will do their part to alleviate the situation," concluded Crittenden. "Now, if California drivers do their part, we will have a safer Memorial Day weekend."

SPRINGTIME STUDY OCCUPIES STUDENTS

Springtime in the mountains has been the study theme of the children of the Truckee Parent Cooperative Nursery School who, with their director, Mrs. Al Manetta and helping mothers have taken field trips to see the birds along Trout Creek, flower gardens in the neighborhood and barn swallows nesting in the vicinity of Bud Howe's Hill-top Lodge.

A lamb kept in the yard of the Ray Brown home is the present center of attention of the youngsters, Mrs. Rod Hicken having brought it here from her parents' ranch in the valley.

The pre-school vision tests conducted by the screening group on May 17 and 19 were very successful. Twenty-seven children were checked. A follow-up test is scheduled for Wednesday, June 1, between 9:30 a. m. and 11:30 a. m. Any child, ages, three, four or five not previously tested, may be brought in for testing on that day.

Nevada Licenses—

Lunardi To Support Teale For Senator

State Senator Paul J. Lunardi of Roseville announced his endorsement of the candidacy of Senator Stephen P. Teale for the democratic nomination from the new 3rd District.

Senator Lunardi issued an endorsement statement in which he said: "Unauthorized use of my name in a recent campaign pamphlet makes it mandatory that I clarify my position now and make an unequivocal endorsement."

"Steve Teale has long been my close personal friend. He was one of my earliest and strongest supporters when I first ran for the Assembly, and he gave me his full help in my assembly re-election campaigns once I was in office."

"Since I moved up to the senate in 1963, Steve Teale has consistently assisted me in my legislative program on behalf of Placer, Nevada and Sierra counties."

"Thus, Steve Teale has not only been my personal friend, but a real friend of my three-county district, as well. I know he fully understands the problems and needs of these counties, and that he has experience, ability and desire to work for their best interests in the senate."

Creglow Protests Pay For Directories

At the regular meeting of the Nevada County Board of Trade last week, it was announced that the Travel Trailer Clubs of America would hold their national rally at Lions Lake August 4 through 7 with some 1,500 to 2,000 people expected to attend.

The board of trade voted three to two to underwrite costs of directors and centennial edition of the Grass Valley Union to the extent of \$350 for distribution to the visitors.

Truckee's member, Andrew Creglow, voted against the expenditure on the grounds that county money was being expended on printed material listing specific businesses. He said that a complete program should be presented prior to any financial participation from the board of trade.

The claim from the Truckee-Dorner Chamber of Commerce for \$125 was approved.

Nevada University Receives \$33,256

The Reno campus of the University of Nevada has been awarded \$33,256 in federal aid to education funds for the academic year 1966-67, according to William E. Rasmussen, director of financial aids at the university.

The funds will be used to award educational opportunity grants to exceptionally needy and academically qualified students.

The money will help qualified students with financial problems to stay in college.

Through the university's financial aid program, the money will be awarded to students in amounts ranging from \$200 up to \$800 per school year.

Automatic consideration for educational opportunity grants will be given to those entering or returning full-time students who apply for the National Defense Student Loan and/or the Work-Study Program.

Employees Honored By Sierra Pacific Co.

RENO—Tribute for 370 years of service to Sierra Pacific Power Co. was paid to company old-timers recently at Hidden Valley Country Club.

Honors went to 17 employees who, having completed 20 years of service in the last year, were inducted into the utility's 20 Year Club.

A 30-year salute was paid to Katherine E. Clogston by President Neil W. Plath, who also presented the 20-year awards. Lauritz B. Lund, Jr., was master of ceremonies.

Almost 200 Twenty Year Club members and their wives attended the annual dinner along with company officers.

Those elevated to membership in the club were Harry Bennett, Gus Echevarria, Fred Heinen, Margaret Jones, William Maestretti, Evelyn Miller, Harry Stephens, Alfred Tillis, Lewis McDuffie, Leonore Parkin, Hugo Schoener, Emory Proebstel, Henry H. Hesse, Charles W. Jenkins, Jr., John Pisaturo and Jess Silva.

CHURCH GATHERING

An all-church pot luck supper will be held at the United Church of Christ in Squaw Valley Thursday evening, June 2. The film "The Gift" will be shown and next year's budget will be presented by the ways and means commission.

On April 30, 1926, commercial radio-photo service was inaugurated with radio transmission of pictures from England to the United States.

KUMLE WAS ABOARD NAVY RESCUE SHIP

USS LUCE (DLG-7) (FHTNC), April 27—Interior Communication Electrician Fireman, Gilbert M. Kumle, Jr., USN, son of Mr. and Mrs. G. M. Kumle of Truckee, participated in a sea rescue while serving aboard the guided missile frigate USS Luce, a unit of the Second Fleet in the Caribbean.

While steaming from Roosevelt Roads, Puerto Rico, Luce received a message that an LCM 8-type boat had lost power and needed assistance.

With the direction of a Coast Guard Search and Rescue (S-R) aircraft, Luce found the disabled boat and took it in tow. Both Luce and Amarron were bound for St. Croix. Amarron was carrying three earth-moving vehicles and a crew of nine when the mishap occurred.

Silver Spur Dancers To Perform June 12

Five times around the world! That's how much mileage the Silver Spurs, cosponsored by the Spokane Public Schools and the city's park board recreation department, piled up on the annual, summer, coast-to-coast tours made by the group since 1951.

Training the teenagers for the trips is another mammoth phase of the work as "Red" Henderson, the physical education consultant for the public schools and director of the dance group, can testify.

The Greater North Lake Tahoe Chamber of Commerce is pleased to be able to sponsor this enjoyable entertaining group of students, who comprise the Silver Spurs.

The group will be arriving after an engagement in Medford, Oregon and will give an exhibition of their talents and skills for the general public Sunday, June 12 at 8 p. m. in the gymnasium of the Tahoe Truckee High School.

The proceeds from the show, after expenses, will be donated to the high school scholarship fund. The troupe has been in every state in the union except Louisiana, Texas, Florida and Maine.

Approximately 12 boys and 12 girls constitute the exhibition team that goes on the tours. They know approximately 250 dances, counting rounds, mixes and squares. On tour, the Spurs are prepared to do two shows of 42 dances each. A chartered bus conveys the young dancers, two chaperons, the driver and Henderson. They carry costumes valued at \$30,000. Costumes are all authentic with some dresses containing as much as 40 yards of material, plus 20 yards in the under skirts.

Sandra Walsh To Be Married During July

TAHOE VISTA—The wedding of Sandra Louise Walsh and Robert Schneider, Jr., will take place July 9, in the Methodist Church at San Leandro, it was revealed this week.

The bride-to-be is the daughter of Mrs. Patricia Anderson Thompson of Hayward and Nelson Walsh of San Leandro and Schneider is the son of Mrs. Mildred Joerger Schneider of Amityville, New York.

Mr. and Mrs. Dan Anderson of Tahoe Vista are the maternal grandparents of Miss Walsh.

Another April marriage of interest in the Dan Anderson family, was that of the former Millie Anderson, wife of the late Richard Anderson to Armand Derosby. He is presently stationed with the U. S. Marine Corps at Camp Pendleton at Oceanside, California.

Mrs. Derosby, with her four children, who are the grandchildren of the Andersons, returned from the east and she has since been employed at the base.

LONERGAN ASPIRES TO SCHOOL POSITION

Kenneth L. (Ken) Lonergan, principal of the Warren T. Eich Intermediate School of Roseville and candidate for the office of Placer County Superintendent of Schools states: "At this time when the needs of our schools are so evident, active vigorous leadership is most important in our county schools office. No other agency has the impact on the social and intellectual behavior of our community than the public school. Thus, our system of free public education becomes the greatest single force for the preservation of democracy."

Member of a three-generation Placer County family, Lonergan expresses deep interest in and concern for the youth of this county, saying: "After years of working with young people, I feel, along with many educators, a moral obligation to consider these students as my own, and a part of my responsibility."

After attending Roseville schools and serving in the navy, Ken Lonergan has devoted his adult life to education as a student, a teacher and for the past twelve years as an administrator. He attended Sierra College, received the Bachelors Degree from the University of Pacific, and the Masters Degree from Sacramento State College. His credentials authorize him to teach in or administer any California school from kindergarten through junior college.

Last Day to Change Listings in Directory

Today marks the final time for Truckee telephone customers to make changes or additions in the white pages of the forthcoming issue of the new Lake Tahoe telephone directory, set for delivery here June 27-29.

Pacific Telephone Manager J. C. Domergue said Thursday, May 26, is the last day changes in alphabetical listings can be made.

Customers who want separate listings for their children, other persons living in their home, or those who want to change their current listing in any way, should contact their nearest Pacific Telephone business office.

The directory will include listings for telephone subscribers in the Lake Tahoe and Truckee areas.

HEALTH CLINIC

The regular health clinic will be held tomorrow, Friday, between noon and 1 p. m. at the County Government Center in Gateway. Dr. Ray Wiser, health officer, said measles vaccine is now available.

DISTRICT BOARD MEET

The directors of the Truckee Cemetery District will hold a regular meeting in the County Government Building on Monday, May 30 at 7 p. m.
